

AGN. NO. \_\_\_\_\_

MOTION BY CHAIR HILDA L. SOLIS

March 15, 2016

The LA Conservation Corps is celebrating their 30 year anniversary. Since the doors first opened in 1986, the Corps has collaborated closely with the County of Los Angeles to transform thousands of young lives by offering jobs, an education, and most importantly, the belief that these young people matter. In turn, Corpsmembers have worked hard to create a cleaner and greener Los Angeles from which our community will benefit for years to come.

To celebrate this milestone, the Annual Luncheon Celebration will be held at the Eva and Marc Stern Grand Hall inside the Dorothy Chandler Pavilion on May 3, 2016. This luncheon raises funds for programming and operations, as well as scholarships for Corpsmembers.

**I, THEREFORE, MOVE,** that the Board of Supervisors waive fees in the amount of \$20 per car for 350 parking spaces on May 3, 2016 for the Music Center Garage, excluding the cost of liability insurance.
